

is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the Sudanese emergency is to continue in effect beyond November 3, 1999, to the Federal Register for publication.

The crisis between the United States and Sudan that led to the declaration on November 3, 1997, of a national emergency has not been resolved. The Government of Sudan continues to support international terrorism and efforts to destabilize neighboring governments, and engage in human rights violations, including the denial of religious freedom. Such Sudanese actions pose a continuing unusual and extraordinary threat to the national security and foreign policy of the United States. For these reasons, I have determined that it is necessary to maintain in force the broad authorities necessary to apply economic pressure on the Government of Sudan.
